The 6th ASG Force Protection Awareness Campaign and the Safe Neighborhood Awareness Program remind community members to be alert and prepared, and to practice the following force protection tips when traveling:

- ♦ Use reputable hotels. Check with a travel agent or people familiar with the area.

- ♦ Try to book a room between the second and fifth floors. The ground floor is a target for criminals, and floors above the fifth tend to be out of range of fire fighting equipment.
- ♦ Keep your passport and room key with you at all times.
- ♦ Keep your room orderly. By doing so, it will be easier to notice if someone has been there.
- ♦ Avoid responding to hotel pages. If you hear your name on a hotel page, do not respond. Instead, call the front desk to verify.

### **CYS Fees to Increase Sept. 1**

Fees for U.S. Army Morale, Welfare and Recreation Child and Youth Services programs and services will increase throughout Europe Sept. 1. CYS fees are based upon a Department of Defense scale that is adjusted each year according to program costs. The increases were implemented to continue to improve the quality services that are available to military families.
